

How to measure your frame size?

Step: 1

Take any ATM/Debit card

Small

42mm \geq 48mm

If the card edge extends beyond the corner of your eye.

Step: 2

Stand in front of the mirror.
Place the card vertically at
the centre of your nose
& cover one of the eyes.

Medium

49mm - 52mm

If the card edge touches the corner of your eye.

Step: 3

Check the position
of the card.

Large

53mm \leq 58mm

If the card edge lies between corner & center of your eye.
